Erin,

I don't think we have received Debtors' responses to these. Have they been produced? I looked in Box but did not see responses in there either.

Subject: Fieldwood - 4-14-21 Joint Surety Interrogatories and Requests for Production

Alfredo,

Attached please find joint surety interrogatories and requests for production. Please note that certain sureties may also be serving their own separate discovery requests. We also just received a document production from the Debtors last night, so it's possible some of the requests may be moot at this point.

Thank you,
